

MARCH CAMERA CLUB MINUTES

Committee meeting 6th April 2011 at 7:30pm Chairman's House

Present: Allan Howe, Alan Blower, Chris Ley, Richard Hull, Mel Harris, Debbie Millington, and Cliff Marsh.

Apologies: Pat Ringham and Colin Baker

Chairman's items:

- Has given the Library a copy of the club's public liability certificate.
- The 2011/12 programme was presented again.
- Possible sponsors for the club include Co-op Travel and March Stationery & Print to date.
- Two outing dates and venues are now posted on the club board

Alan Blower: NOB

Mel Harris: It has been suggested that the author's names be available for the Library Exhibition prints. Upon discussion a numbering system and reference catalogue was felt to be the easiest option.

Chris Ley: To date the only submission for the AOB section of the AGM is a request to propose competition rule changes. An A4 size document relating to this item will therefore be made available at the meeting, along with the other paperwork. A club member has requested more information about March's external competition entries be posted on the web site which will be undertaken when time allows.

Richard Hull: Noted there have been comments from some club members that flexibility had been shown for submitting annual competition entries. It was felt that rigid enforcement of the two week rule would have resulted in a farce at the annual projected images competition and that the competition secretaries' willingness to cope with the workload over a shorter period is much appreciated and is to be applauded.

Cliff Marsh: Enquired if the BBQ arrangements had been finalised yet? Pat Ringham is hoping to sort this out soon.

Debbie Millington: NOB

Meeting Closed at 8:50pm

Next meeting (of the new committee) scheduled to be the 4th May 2011
