

# MARCH CAMERA CLUB MINUTES

## *Committee meeting 1<sup>st</sup> September 2010 at 7:30pm Chairman's House*

**Present:** Allan Howe, Alan Blower, Albert Horton, Chris Ley, Richard Hull, Mel Harris, and Cliff Marsh.

**Apologies:** Debbie Millington, Colin Baker, Pat Ringham

### **Chairman's items:**

- Two programme changes announced (because of Allan Livingstone's ill health).
- The Library exhibition is well received and well covered in the Fenland Citizen. People are asking whose images are displayed and we note that some prints are becoming unstuck.
- A one day Library Exhibition was proposed and agreed for May 2011.
- A trip to Peterborough Cathedral was proposed and agreed for the 2011-12 programme.

**Mel Harris:** The new programmes are now printed. Waiting for news from Celia about the latest set of club accounts.

**Albert Horton:** Colin Baker cannot continue to commit to his role so proposed that Richard Hull take over as Print Competition Secretary and Colin remain as a Committee Member. This was agreed.

**Chris Ley:** "What's on in Fenland" magazine has finally included our club, together with an image advertising the web site.

**Richard Hull:** NOB

**Alan Blower:** The laptop has been cleared of last year's images (which have been backed up) but the AV presentations have been kept. (A new version of the FFP software is available and we may wish to consider purchasing it – MH)

**Cliff Marsh:** Reported back on a good photograph exhibition at a church in King's Lynn: also visitors could try to win a framed copy of their favourite image by entering a draw for £1 which seemed an interesting idea that we might copy?

Meeting Closed at 8:45pm

**Next meeting will be the 6<sup>th</sup> October 2010 at the Chairman's home**
